INTRODUCTORY REMARKS

To those who have never done business with us we would say this is our twenty-seventh year in the nursery business. We have 150 acres in nursery stock, 210 acres devoted to the business.

SOIL

Our soil is clay loam high land that insures solid wood, early ripened trees.

Vincennes is situated on the Wabash river, 150 miles from St. Louis, 190 miles from Cincinnati, 57 miles south of Terre Haute, four good railroads: B. & O. S. W., Big Four, Pennsylvania and C. & E. I.

We have low freight rates to all the leading points.

Prices are limited to Fall, 1915, and supercedes all previous lists; are subject to change without notice.

We advise parties to send in their orders early before assortment of stock is broken.

Always give shipping instructions plain. In absence of particulars we forward to the best of our judgment but in no case will we assume responsibility after consignment to purchaser. Any mistakes of ours cheerfully rectified.

Terms of Payment are cash or security before shipment, except with established nurserymen.

When, if unknown to us, satisfactory reference will be required before goods are shipped.

Quotations Are Net; packing and bailing extra.

Remittance should be made by Draft on New York, Chicago, or St. Louis, or by Express Money Order. Do not send personal checks.

Claims for deductions will receive consideration only when made promptly on receipt of goods.

Guarantee of Genuineness. While we exercise the greatest diligence and care to have our stock true to label, it is mutually agreed between ourselves and the purchaser, that our guarantee of genuineness shall in no case make us liable for any sum greater than that originally paid for stock that proves untrue.

SHIPPING FACILITIES.

Our packing house being located on our own side-track, connected with the main lines of the B. & O. S. W., which gives us shipping facilities that are unsurpassed, so that we load direct from the house into the car, saving all exposure.

FUMIGATION.

We are prepared to fumigate all stock destined to state requiring such. Will fumigate other stock when so required.

SEEDS.

Linaeus and Mammoth Rhubarb Seed, 50c per pound; 10 lbs. or more at 40c per pound.

CAR LOTS.

Apple and Standard Pear, 2-year.

Cherry, one- and two-year.

We plant annually 300,000 to 400,000 Cherry. If quality is what you want, we have it.

Hardy Nut Trees for Northern Planting

For several years we have been specializing in the propagation of the best varieties of Hardy Northern Pecans and English Walnuts for the Retail Trade. The demand has far exceeded the supply. However, we have increased our stock and owing to the fact that we have many calls from nurserymen for these trees for their own planting and customers, we have decided to allow **Twenty-five Per Cent Discount To the Trade** on Pecans and

English Walnuts from our regular retail prices as given below. Orders sent to us will be packed free of charge and shipped by express, using your tags if preferred, sending direct to customers. For description of varieties ask for Special Nut Catalogue.
